

FORM A

CertiPUR-US® Program Supplier Verification Form A

Bedding and Upholstered Furniture Manufacturers and Retailers: In order to use the CertiPUR-US® logo or name, you must first receive permission from AFPF/CertiPUR-US® program administrators. Here's how:

Date: _____

Step 1: Ask your foam supplier* to fill out and submit this **Verification Form A** on your behalf by providing supplier with link to the form: www.certipur.us/FormA, along with correct information about your company for Section 1. Information on the form is held in strict confidence and is only accessible to AFPF/CertiPUR-US® administrators.

- *Note:**
- If you are using multiple suppliers, a verification form from each supplier will need to be on file. Just send each supplier the link.
 - If you are buying through a distributor, you will need a verification form on file from that distributor, who will in turn need to send the link to the company from which they buy certified foam.

Step 2: Take the CertiPUR-US® 20-minute online certificate course. In order to complete your registration, you'll need to provide the 16-digit number on your course completion certificate on Form B (Step 3). Take the course at certipur.us/certificatecourse.

Step 3: Submit Form B on page 4 of the *CertiPUR-US® Terms of Use Manual* to forms@certipur.us. When all three steps have been completed, you'll receive an official letter of notification via email that your company is listed on our website and you are a participating company with permission to use the CertiPUR-US® name and logo.

Section 1: Information about Customer Company (Bedding or Upholstered Furniture Manufacturer Retailer or Distributor) Requesting Permission to Use CertiPUR-US® Logo/Name:

Customer is a (check one): Bedding Manufacturer Bedding Retailer Upholstered Furniture Manufacturer

Title: _____

Company: _____

Address: _____

City: _____ State: _____ Zipcode: _____

Direct Phone/ext.: _____ Cell Phone: _____

Email: _____

Website, if available: _____

Date: _____

Authorized Signature: _____

*If you are a foam distributor, you must also register with the CertiPUR-US® program by having your foam supplier submit this Form A on your company's behalf. Your customer will not have access to any information about your foam supplier, but we must have supply chain verification.

Submit form online at www.certipur.us/FormA, or scan and email signed agreement to forms@certipur.us, or fax to 248.659.1531.

The information in this form is confidential and will only be used by AFPP/CertiPUR-US® program administrators for the purpose of verifying use of certified foam in order to grant permission for use of the CertiPUR-US® logo/name.

AFPP conducts random on-site foam production plant checks of participating suppliers. Samples of certified foams are subjected to chemical and physical testing at independent laboratories to verify that they comply with all CertiPUR-US® Technical Guidelines. AFPP also monitors websites, promotional materials, news articles, advertising, and more for misuse of the CertiPUR-US® mark. You can help. If you see a product that you believe is falsely claiming to use CertiPUR-US®-certified foam, please let us know and we will follow up and either confirm legitimate use or, take legal action against false claims. If you suspect misuse, please contact us at info@certipur.us.
